

Prevention Resources, Inc. **ANNOUNCEMENT**

IMPORTANT

In response to the developments of the COVID-19, our offices are taking precautions to protect our community by temporarily closing our physical locations until THURSDAY, APRIL 30, 2020.

Our staff will be working remotely during this time and have made adjustments for ongoing functions - Call and/or email.

Projects and some programs will continue online. Please read further for more information, or contact a staff member to find out more about these temporary changes.

No walk-ins during this time. Please do not stop by the office.

A follow-up announcement will be made on or before the above date.

We appreciate your patience and support during these unprecedented times. We continue to work toward our agency goals of promoting health and wellness, and preventing substance use and violence in our community.

Sincerely, Prevention Resources, Inc.
Dedicated to the communities we serve since 1971

TELE-CONFERENCING

- Programs such as Counseling, LEAP, Family Success Centers, Family Support Center, and other meetings will continue via Tele-Conferencing.
- ACT and Anger Management Programs, Substance Use Evaluations, and IDRC will be postponed and rescheduled.
